

Gateway Today

August 2004

"I know, I know!"

Myra* came to Gateway with her boyfriend, **Frank***. Vi from Gateway-Irvington challenged her to commit her life to Christ.

Myra's response was "I know, I know". She knows the plan of salvation but does not know Christ personally. In February, Myra and Frank had baby Jasmine, pictured here.

Pray for this couple and for the many we see who "know" of Him but do not know Him. There's a world and an eternity of difference.

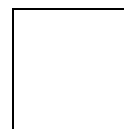

* Their real names have been changed

Praise the Lord! 55 came to Gateway-Elizabeth in June .. Here are two recent stories

Tanya*, age 21, came to our Elizabeth center undecided about carrying her baby to term. We showed her "Your Crisis Pregnancy" (a video) and discussed the film's message. Tanya cried when she received the positive test results. She now feels abortion could not be the answer. Tanya's heard the gospel message and admitted that she has been to many churches where people said they "believed" but didn't live their lives as though they did. The Gateway counselor talked about that and also pointed out the real reason Christ came to earth. Tanya asked us to pray for her. On June 8th, baby John Michael was born!

Milagros >

Deborah, age 28, speaks only Spanish. A relatively new counselor, Hellen Rodriguez, spoke to her about God, and gave her a Spanish Bible and tract . Deborah said that her boyfriend has rejected her and will have no part in raising the baby. She does not want an abortion and feels it's her responsibility to care for her baby. On June 12th she had baby Milagros.

Praise the Lord and please keep praying for the ministry

- **Praise** for the many we are seeing monthly and the opportunities we have to share Christ.
- **Prayer** for the full recovery of our brother,

Geoff Jones, who is now able to speak again after a serious stroke

In Sympathy

Our Christian sympathy to the family of **Dorothy Collins** of
the Cranford Alliance Church, upon her Homegoing.

Dorothy purchased items on her own and donated them to
Gateway, she contributed financially and each year she
gave baby items to Gateway via Cranford Alliance's
annual auction. We are so grateful for her love in action.
